Dear Member,

PSC CHARITY FUND

As a premier and caring club towards the Penang Community, the members of the General Committee has come out with a suggestion to set up a voluntary contribution of RM1.00 for each member as well as for spouse per month .

The monthly contribution of RM1.00 per month will be deposited into a separate account and will be used to donate to deserving charitable organizations as part of PSC's Corporate Social Responsible.

To expedite the matter of collection and donation, the General Committee has decided to debit the contribution(s) to your club account, effective 1st December 2013 unless it is indicated in writing that you do not wish to contribute by 15th November 2013

Thank you.
